

Chicago Parking

- Please park in the parking structure on Huron (between N St. Clair and Fairbanks).
- Take the parking ticket from the machine. We will provide you with a parking pass when you get to CAMRI
- If you are coming from the parking garage, take the elevator to the second floor and take the pedestrian walkway to the hospital. Once in the hospital, turn left, go all the way to the end of the building and turn left again. Continue until you reach the elevators. Take the elevators down to the basement (LC) to the MRI research center.
